

Mrs. Nevin's Pupils

26th of May – 2nd of June

Dear Parents and Pupils,

I hope you are all well. Please find below work outlined for the coming week. Please use this as a menu, I am fully aware that each family situation is different so just do whatever works for you. If you need any help or advice, please do not hesitate to contact me, email details below.

All 3rd /4th class English/ Literacy students

Reading, comprehension, language:

Reading this week is a little more specific. I am going to give you a specific book and exercise to work on. Go to Collins connect and click on the teacher portal and enter:

Username: parents@harpercollins.co.uk

Password: Parents20!

And click Login.

From here enter the Big cat readers section (purple). In the search engine enter the title **'The Bogeyman'** and press the GO button. This is your book for reading this week. If you press the play button the book will be read out loud to you, I suggest reading along with it and then reading it afterwards again on your own, maybe read 4-5 pages a day this way. Please look up any unknown words in your dictionary and write them out on flashcards. There is a resources section under each book, I would like you to do the worksheet that goes with each book. There is also a helpful piece on guided reading there for parents to read.

Phonics, Spelling, Typing

1. Touch, Type, Read, Spell programme (TTRS)- please do this **if possible** for 10 mins. a day Monday – Friday. It incorporates learning to type along with a comprehensive phonics/spelling programme. It is quite easy at the beginning but builds up as you improve. Your passwords and login details are in your homework journals, the site is www.ttrsonline.com . I can access this as administrator and check on how you are all getting along. Please contact me on email below if you have misplaced your passwords/login.

Also, if possible, keep up Independent reading using a book of your own choice. 10/15 mins per day will make a big difference!!

All 5th /6th class pupils for English/ Literacy

Reading, comprehension, language:

Reading this week is a little more specific. I am going to give you a specific book and exercise to work on. Go to Collins connect and click on the teacher portal and enter:

Username: parents@harpercollins.co.uk

Password: Parents20!

And click Login. From here enter the Big cat readers section (purple). In the search engine enter the title **the Camel Fair** and press the GO button. . This is your book for reading this week. If you press the play button the book will be read out loud to you, I suggest reading along with it and then reading it afterwards again on your own, maybe read 4-5 pages a day this way. Please look up any unknown words in your dictionary and write them out on flashcards. There is a resources section under each book, I would like you to do the worksheet that goes with the book. Also if possible Keep up the Independent reading using a book of your own choice, 10/15 mins a day will make a big difference!

Maths Students 3rd, 4th, 5th and 6th

I have spoken to the teachers and it is acceptable that if you are finding the classwork too difficult you can do my maths activities outlined **instead**, although I am sure that some of you may have been doing this already. Otherwise if you want to do this as additional work, please do so.

1. Continue with Mental Maths / Tables books as normal. One/Two sections per day- Monday – Thursday (for those of you that have these books)
2. Continue with learning your tables (all if possible), Multiplication and Division, 1-12. There are some great apps for practising tables. Just look in the Google Playstore and type in tables practise. Practise for 10 mins a day on the app. Remember to recite small sections each day.

3. Try the daily 10 challenge – put the words ‘daily 10 topmarks’ into google, chose a level (I suggest moving to level 6) choose multiplication and start with x2, write your answers into your copy and correct them as you go. This can be done with addition and subtraction tables also for anyone working on these.

3rd Class Maths students

We are going to work on ‘Place Value’ this week.

1. Figure it Out 2 (for students who brought this home with them). Complete pages 15 and 16 ‘Place Value’.
2. Login to twinkl and type ‘Place Value’ into the search engine there is a section entitled ‘ Maths First/Second Class place Value Pack 2’ . Although it is meant for 1st and 2nd class, it will be suitable for your class also. There is a powerpoint and games , along with worksheets to complete. If you want to do more , move on to Activity Sheets entitled “Place Value to 3 digits’.

4th Class Maths Students

1. Continue with classwork (as given by Ms. Donohue) and
2. Do the work around ‘Tables’ outlined above.

5th and 6th Class Maths Students

1. ‘Large Numbers ‘is the topic this week, complete pages 10 -13 in your ‘Figure it out 4’ book (sent home).
2. Go to twinkl (free subscription) and type ‘**Large Numbers up to 10,000**’ in search box at the top, download /print off and complete section entitled ‘**Year 5 Order and Compare Numbers, Mastery Differentiated Worksheets**’. Answers to the questions on these worksheets are included.

Students with ASD / Social Skills Education

- Middletown Autism centre are running **excellent webinars** for Teachers and parents at the moment, dealing with meltdowns, anxiety in kids etc. They also have lots of lovely, useful resources on their site. Please check out middletownautism.com
- Many of you are practising typing skills so please logon to your touch, type, read and spell programme and work away, 10/ 15 mins a day. Login can be found in you homework journals. www.ttrsonline.ie . If you tire of this try the www.typingclub.com or BBC TypeMat instead.

Again all of the above is a menu, pick and choose at will, . If anyone wishes to contact me for further guidance please email me on jacquelinenvn1@gmail.com

Wishing you all the very best.

J. Nevin
