

Hi everyone,

I hope you all enjoyed the weekend and are ready for this week's activities. As always just do what you can. Any questions let me know. Thank you so much for forwarding on pictures of your children's work, it is lovely to see.

English: We are starting a new reader this week. You can find this on The Rainbow English Programme website. The name of the book is 'Rainy Day Fun' and we will look at the first story called 'The Alien under the bed'. Concentrate on the new words at the back of this book, to help them to become familiar with them. Read 1 page a day so this week we will look at pages 3-7. Ask the children to talk about the picture, put words into sentences either written or orally.

Skills book A: pg: 59-63

Maths: Folens website.

We are looking at addition using the number line.

Planet Maths: pg: 97-101

Science: In Science we are going to learn about the life cycle of the frog. There are lovely activities on Twinkl and also on YouTube. The children can draw the life cycle of the frog and label the different stages.

I have attached two worksheets. The first activity is looking at rubber and plastic and where do they come from and what the object is made from.

The next activity is looking at exercise and the importance of it.

Keep up with all the great work that ye are doing and keep uploading the completed work as I love to see it.

Feel free to get in contact with me with any queries.

Regards
Ms Lynam

Rubber and Plastic - Where do they come from?

A - Lets talk!

Rubber

Plastic

Using maps and globes, children recognise and appreciate the

B - Finish the sentences.

rubber or plastic?

lunch box	car tyre	bath stopper
toy	soles of shoes	bottle

- The lunch box is made from _____
- The c _____
- _____
- _____
- _____
- _____

C - Write two lists of things at home made from rubber and plastic.

rubber

plastic

- | | | | |
|---|-------|---|-------|
| 1 | _____ | 1 | _____ |
| 2 | _____ | 2 | _____ |
| 3 | _____ | 3 | _____ |
| 4 | _____ | 4 | _____ |

Exercise Is Good for You!
