

Hi everyone,  
I hope you are all enjoying the fabulous weather.

We are just going to continue on with our books for maths and English.

English:

- Continue to read the story 'The mouse in Luke's House' - read up to the end of the story
- Skills book B: pg 83-86

Maths:

- pg 115 to be completed. this page is a continuation from previous pages getting the children to count on the number line.
- pg 116,117. We are looking at 3D shapes. We have covered this area previously so this is a little revision exercise.

When completed the children can make a 3D shape out of any recyclable materials you may have around the house.

Hope you all have a lovely week and enjoy the rest of the sunshine.

Ms.Lynam
