

## Junior Infants

### List of activities

Maths: Pages 30, 31, 32, 33 of Planet Maths.

Revise 2D shapes: circle, triangle, rectangle, square. Can you find these shapes around your house? Go on a shape hunt. Sort your shapes into groups.

Try to draw a circle, square, triangle and rectangle.

English: pages 16, 17, 18 of Phonics book.

Can you sound out and blend these words. You can practise a few each day this week.

- cat
- dog
- dad
- red
- top
- six
- him
- hat
- sad
- hot

SESE: Can you find the following things. Get your mum or dad to write these out for you on a sheet of paper and you can try and find them.

- 3 leaves that look different
- A stick that is longer than your hand
- A rock with spots on it
- A flower
- A flat rock
- 10 blades of grass
- Something brown
- Something that needs sun to grow
- Something smaller than your thumb
- Something that starts with M

If you would like some more work you can complete some of the Junior Infants Activity pack B on Twinkl. The CVC word writing activity pack, counting dinosaurs sheet and Alphabet colour and trace sheet are the best in this pack. There is no pressure to do this work. Only if you felt you needed more. To sign up to Twinkl for free Step 1: Go to [www.twinkl.ie/offer](http://www.twinkl.ie/offer) Step 2: Enter the code you have received, or CVDTWINKLHELPS if you have not yet been given a code. Topmarks and starfall.com also have lots of learning games for your child to play.
